

**OPEN CALL**  
**The Satellite Residency program**  
**One-Month LIA Residency Fellowship in Leipzig for Israeli Artists - May 2025**

Art knows no borders, acting as a universal language that can connect cultures, ideas, and histories. To mark the 60 years of diplomatic relations between Germany and Israel, we are proud to introduce the **"Satellite" Residency Program**—a bi-cultural initiative.

The Embassy of Israel in Berlin, the Office for Foreign Affairs City of Leipzig, The Artists' Residence Herzliya, and LIA-Leipzig International Art Programme invite Israeli visual artists to apply for a one-month residency in Leipzig, Germany for May 2025.

**About the Program**

The Leipzig International Art Programme (LIA) is an international artist residency located at the Spinnerei Leipzig ([www.spinnerei.de](http://www.spinnerei.de)), a former cotton mill transformed into a vibrant cultural hub. LIA serves as a space for experimentation and learning within Leipzig's dynamic artist community. The program facilitates meaningful exchanges between local and international artists, fostering new perspectives through cultural interaction.

As Anna-Louise Rolland, LIA's founder, explains: "At LIA, we believe that moving outside our comfort zone opens up new perspectives. International visual artists collaborating with professional musicians, public spaces, and institutions like museums embodies this philosophy, leading to innovative approaches and unique artistic exchanges."

**What We Offer:**

- Furnished 83-square-meter studio space with accommodation
- Curated group exhibition opportunity
- Round-trip international flight
- Health insurance coverage
- Curatorial guidance from LIA director Anna-Louise Rolland

Residency Period: May 5 - June 2, 2025

**Eligibility Requirements:**

- Must be an Israeli artist
- Proficient in English
- Professional experience in visual arts (This program is not for students)

Please Note: The residency does not currently include additional fees or stipends.

For detailed information about LIA's services, visit: <https://liap.eu/index.php/en/application/>
